Providing NHS services

04/11/2020

Dear All Highfield Health Patients,

I am writing to inform you that Highfield Health will be moving to a new location in Highfield, in the spring of 2021.

Our new location will be:

38 Highfield Road  
Southampton  
Hampshire  
SO17 1PJ

Located conveniently between the University's Highfield and Avenue campuses, this former GP surgery will provide larger, newly renovated premises that will enable us to continue to offer a great service to our patients and remain at the heart of the Highfield community.

Our current premises on University Road are owned by the University and they have identified a new purpose for that building. We're delighted that our close working relationship with the University has resulted in their decision to provide us with a newly refurbished surgery in Highfield Road.

The NHS Southampton City Clinical Commissioning Group (which commissions our services) is required to formally approve our move and it will provide support with the arrangements. As the project progresses, we will provide more details on the move date. Please accept our apologies for any inconvenience this change may cause, we very much appreciate your continued support of our practice. If you have any questions or would like to provide feedback on the move, please contact us on 023 8055 8577 or [soccg.highfieldhealth@nhs.net](mailto:soccg.highfieldhealth@nhs.net).

All patients will continue to be seen at our existing University Road surgery until it closes.

Yours Sincerely,

A handwritten signature in black ink, appearing to be 'N Lowe', written over a light blue horizontal line.

Dr N J Lowe
